Cultural Programme

Learning the culture of a country is integral to helping you gain a deeper understanding of a language. At Linguaviva Centre we strive to showcase the best social and cultural activities that Ireland has to offer. Whether your course is for two weeks or two months, we will provide you with a diverse range of exciting activities where you can make new friends, learn about our wonderful country, and put into practice what you have learned in the classroom.

We offer a weekly social programme that students can choose from on an 'a la carte' basis. These activities are published at the beginning of each week and promoted in school, as well as via our social media channels. These excursions and activities are aimed at all budgets, and students can pay at reception for the trips that they are interested in.

Along with our weekly activities, we also run monthly cultural projects as well as invite speakers from a range of fields to speak to our student population. Below is a sample of the cultural activities we provide.

Walking Tour of Dublin for new students – Dublin City Centre	Irish Story Telling 'Myths & Legends' – Student Canteen	Expert talk from University Recruitment Officer – Online Webinar	Visit to Guinness Storehouse - Dublin	Student Party – Dublin Pub	Full Day Trip to Giant's Causeway
